

ITALY

These pages contain the essentials you need to enjoy a city visit – where to stay, where to eat and drink, tips on travel and things to see and do that you may not have heard about. There are over eighty cities featured throughout the world and new cities are added and existing ones updated all the time. Recent additions include a section on what to drink, local wines and specialties that will make you feel at home wherever you are. Easily printed out, these are to take with you and help you enjoy your visit, whether for a weekend break or longer.
